

House Share Quick Reference Guide

Getting Started:

To begin the shared housing registration process in the City of Chicago, potential hosts should become familiar with the following:

- 1. **Consider** reviewing these items below to help determine your eligibility to participate in the shared housing program prior to starting this process
 - a. Prohibited Buildings List
 - b. Additional Dwelling Units
 - c. Problem Landlord List
- 2. Create an account by accessing the Chicago Shared Housing Registration Portal
- 3. **Verify** your personal identity by providing proof from the list of approved document types (see additional attached file)
- 4. **Submit** your shared housing registration application *after* your identity information has been provided
- 5. **List** approved units that have valid registration or license number on licensed short-term rental intermediary platforms

Important House Share Eligibility Factors:

Listed below are some of the important factors that may determine if either a host or a property will be eligible for short-term rental registration in the City of Chicago. Additional information regarding eligibility can be found in the Shared Housing Ordinance.

| Factor | Host | Unit/Property |
|--|------|---------------|
| Outstanding Shared Housing-Related City Debt | ✓ | |
| Requirement to obtain Shared Housing Unit Operator's License | ✓ | |
| Primary Residency Verification | ✓ | |
| Revoked Registration | ✓ | ✓ |
| Zoning Restrictions | | ✓ |
| Capacity Limitations | | ✓ |
| Prohibited Buildings | | ✓ |

Important Changes to House Share Processes:

The shared housing registration process flow has changed due to Shared Housing reforms that the City of Chicago voted to approve on September 9, 2020. The most notable change is that shared housing hosts must begin the registration process directly with the City of Chicago. Licensed Short-Term

Residential Intermediaries will no longer accept shared housing applications from hosts who wish to list within the City of Chicago. The grid below captures the most notable process changes.

| Action | Process Change? | Before June 1, 2021 | June 1, 2021 and later |
|---------------------------------------|----------------------------|---|--|
| New Registration Application | YES | Registration application submitted to licensed short-term residential rental Intermediary platforms | Registration applications submitted directly to City of Chicago. |
| Existing Active Registration | NO (Some Exceptions) | Remains Active - No Action Required | Remains Active – No Action Required. If host registration details change, must register directly with City of Chicago's BACP Department |
| Annual Registration Renewal | YES | Renewal applications submitted to platforms where listing is active. No Shared Housing Registration Fee required. | Renewal applications will be submitted directly to the City of Chicago. At the time of renewal, each approved application will result in a \$125 Shared Housing Registration Fee |
| Commissioner's Adjustment Application | YES | Shared Housing Commissioner's Adjustment application is submitted to the City of Chicago after host is notified that their registration application has not been approved. Hosts are allowed to list their unit while the appeal is being processed | Shared Housing Commissioner's Adjustment application is submitted to the City of Chicago after host is notified that their registration application has not been approved. Hosts are NOT allowed to list their unit while the appeal is being processed |
| House Share Appeal Application | YES | Shared Housing appeals application is submitted to the City of Chicago after host is notified that their registration application has not been approved. Hosts are allowed to list their unit while the appeal is being processed. | Shared Housing appeals application is submitted to the City of Chicago after host is notified that their registration application has not been approved. Hosts are NOT allowed to list their unit while the appeal is being processed. |
